Fall 2025

"I want to thank you for the information you sent me. I can't tell you how much I appreciate your service. I wish I would have known about you a long time ago... I was relying on my wife for a long time to look up stuff, order books, etc. and she got burnt out so you have relieved a huge source of stress from our marriage, so thank you."

MICHAEL S., FL INMATE

"With an inadequate law library here at the institution, Webb Hunter's legal research service is an absolute godsend. It's the only way we can keep pace with the most current case law. Thanks for leveling the playing field."

DARYL S., VA INMATE

"Webb Hunter is the best and most efficient Inmate Service I've come across in 35 years, I recommend Webb Hunter above all others."

ERIC S., CT INMATE

"As a former institutional chaplain, I know the value of inmates being able to access information from the outside. As inmates are increasingly isolated, they need this access even more. Having had a conversation with the owner, I believe Webb Hunter is committed to helping inmates be able to fully live their lives and will do an excellent job in getting information to inmates."

PASTOR J, VA

"You are my best friend on the outside. When all the others say they are busy, you're already sending out the mass mailing to find me the next attorney, treatment provider, RV rental place, rental manager, or whatever. You're awesome!"

JAMES B., ID INMATE

Webb Hunter's Policies

- I offer internet research for all your needs: education, re-entry, religion, sports, legal, stocks, medical, music, movies, businesses, hobbies, and more. Stay informed, be entertained, and prepare for your release with confidence and knowledge!
- All pictures included with research results adhere to facility publication policies. Photos of models are not available.
- I provide "Fair Use" information not specifically authorized by the copyright owner. Its intent is for educational purposes only. If you wish to use materials provided by Webb Hunter for purposes beyond fair use, you must obtain permission from the original copyright owner. URLs are provided with results. I never charge a fee for freely available information from public sources on the internet. Service fees cover my time and expenses.
- Be sure your request is accurate since I mail results within *one* business day of receiving it. Please allow 14 days for my mail to reach you before inquiring where your project is. Most delays are due to the USPS or your institution.
- I usually communicate through regular mail, but if you're willing to pay for my e-stamps (and send a regular letter first), you'll be able to use my writing relay service. I currently have access to JPay, Securus, GTL, and Getting Out, but have no way to use Corrlinks. Sorry, friends in BOP custody!
- Be respectful of others when using email communications. Getting me blocked for disallowed content ruins it for *everyone*! Not sure? Then send it through regular mail. Good lookin' out!

- I don't create or manage accounts with companies, banks, social media, email platforms, websites, or similar services.
- Send a SASE for all correspondence requests. You pay the return postage for results associated with projects unless you include SASE's or stamps with your service request.
- Order forms aren't required but are available upon request. You can request services by simply shooting me a kite!
- You must notify me about special purchase or mailroom policies when you place an order. Your account pays for any additional postage due to mailroom requirements on incoming mail.
- I provide services to customers with pre-funded accounts or submit payments with their requests. **All deposits must be used for purchases or Webb Hunter services.**
- **NO** stamps accepted as payment! Only institutional money orders/checks are accepted from inmates to fund your account. **MAKE DEPOSITS PAYABLE TO: WEBB HUNTER LLC**
- I don't offer refunds for institutional rejections or lost shipments, as these situations are beyond Webb Hunter's control. **Know your institution's policies!** The only refunds Webb Hunter offers are for orders cancelled by a vendor.
- Amazon Customer Service, P.O. Box 81226, Seattle, WA 98108. Customer Service is usually handled online. They may not respond. Allow at least 6 wks. for delivery before inquiring.

Research Guidelines

I don't research information on private citizens, explicit adult topics, combat, illegal drugs, etc.

- I provide reliable, institution-acceptable research. Information I deem unethical, inflammatory, or illegal will not be provided! I reserve the right to refuse service to anyone for any reason, at any time.
- I don't alter an online source's content. Font, style, or size is only altered to improve the display of results.
- Whether results are found or not, base research fees are charged to cover the time dedicated to your project.
- You are responsible for tracking the information you have previously received. You must request that I use or ignore sources from your other projects. I don't keep requests from prior projects or correspondence.
- Insufficient funds will limit the number of results pages sent. Your project will end wherever your account fails to provide the funds necessary for further results.
- Caution: Numerous results pages can be generated! You can specify the *maximum* number of pages you're willing to pay for. Alternatively, I can't guarantee your requested number of pages will be available due to potentially limited online resources.
- The extent of results and the return postage cost can only be determined once a research project is performed.

Purchasing Guidelines

- If you request a magazine, I need the exact title since many magazines have similar names.
- All purchases are delivered directly from the vendor.
- For non-book items, give me a detailed description or request my item research service to find some options.
- You can buy items as gifts delivered to people on the street. Amazon has a wide variety of products and gift cards. Show someone you appreciate their support!
- If I'm notified you had me ship a purchase to another inmate or person you shouldn't be in contact with, your account will be immediately closed and Webb Hunter will cooperate with any investigations.
- Most purchases are from Amazon or Barnes & Noble.
- Your account will be charged a fee equal to the Book Purchase fee for refunded orders, since it takes time to reprocess the order. Third-party vendors are unreliable, so you must say in your request that I can use them.
- Prices and availability are subject to change without notice and are totally under the control of vendors.

Research Services

Educational / Legal

\$6 per topic + \$.25/page of B&W results

Please clearly explain what you need and be as specific as possible to ensure the research is accurate. If you'd prefer a summary, I can use A.I. to get general results from multiple online sources. This option offers a broader overview compared to my standard research, which uses content from a select few websites. No legal advice is offered, available, or implied. This service does not establish an attorney-client relationship or privilege.

Quick Info

\$2.50 per topic of basic, quickly researched info

Quick, specific research, one page (1-2 page sides) of info like a recipe, business contact info, song lyrics, movie soundtrack, etc.

Graphics

\$3.00 per graphic item researched

Request the image you want and the type of drawing. I'll provide up to four images, on two sheets of paper, per graphic requested. For example, you could ask for a line drawing of Winnie the Pooh or a cartoon drawing of a celebrity. No model photos are available.

Requests I have helped customers with:

Provide a list of apartments near where I'll be released. I need information about the medications I'm currently taking. Send me details on starting a support group. Tell me the steps to launch my business after I'm released. Find out how I can reinstate my SSI benefits once I'm out. Help me get the details for my Habeas case. Get me the American Top 40 list from last week. I need info on these stocks...The ways I can help are endless!

Webb Pages

\$4.95 per Webb Page

I've prepared popular customer research projects into pamphlets called Webb Pages®. Why pay the other guys \$20 for a catalog of info you can't use?!? Webb Pages® are filled with *nationwide* organizations that provide essential services you need:

- Advocacy Orgs.
- Family Resources
- Free Book Sources
- Halfway Houses
- Legal Resources
- Pen Pal Directory
- P.I. Directory
- Re-entry Resources
- Religious Orgs.
- Top Selling Books

*You're welcome to suggest additional topics for Webb Pages!

Purchase Services

Known Publication/Item Research

\$2.50 per book, magazine, or other item

How it works: I'll mail you the current price, the ISBN, and the vendor description. I also provide vendor offers for magazine subscriptions. I can also provide info on other *institution-approved* items (i.e. notebooks, shoes, calendars, etc.) for you or a gift intended for someone on the street. Get something that'll make you or your special people happier!

Publication/Other Item Topic Research

\$3.50 per book, magazine, or other item topic

How it works: Use this if you want options for a general topic. I understand it is difficult even to know what book titles and items are available! For example, you could ask for "werewolf fantasy" books, "hiking" magazines, or "college-ruled notebooks." I'll provide two page sides of products, descriptions, and current prices.

Purchases

Purchase fee: 20% of vendor total; no more than \$6 per item

Subscription fee: \$6 per magazine subscription ordered

How it works: Amazon's tax is around 8% of the order total. Their current shipping fee is \$6.99. They usually offer free shipping on Amazon fulfilled orders over \$35. I pass that savings on to you! Delivery time depends on the vendor, shipper, and institutions. I don't acknowledge refund requests because of "buyer's remorse." Know your institution's policies about item purchases and deliveries!

Photocopy / Writing Relay

Photocopy: \$2 per request + \$.25 per page copied

Standard photocopies; I can return the originals with the copies.

Writing Relay

Email: I'll print your email and mail it to you or someone on the street.

\$2 per email + \$.25 per page printed

Mail: I'll scan your mail and send it to up to 10 email addresses

\$2 per request + \$.25 per page of mail scanned (50 pg. limit)

- For example, I've emailed friends' handwritten books to publishers!
- You must send a request for this service *before* I'll open your emails.
- Mail is scanned as a PDF; not typed or edited. This isn't transcription.

A.I. Writing

\$6 per document AND \$.25 per page

Wish you could find the perfect words for important occasions? With A.I. writing, you'll get clear, confident, audience-appropriate results every time! Whether it's heartfelt letters, professional correspondence, or having AI refine what you've written. Send your ideas or original composition, and I'll use A.I. to whip up something any professional writer would be proud of. This is not for long prose, like books. I consider 1-5 pages reasonable.

Administrative Assistance

\$35/hr. (only charged for actual time spent on your project)

Whether it's sending money orders for you, editing documents, or sending form letters to attorneys - I've got you covered. Send a kite to discuss it.

Typing: \$3 per page-side (Standard Calibri 11pt font, 1/2" margins)

Online services average \$4-5 per page-side to transcribe handwriting! Your original document must be easy to read for accurate transcription.

Proofreading or editing can be done as *Administrative Assistance*.
